

COBRA STAR

Logistic company that specializes in delivering food, beverages and other frozen goods across the continental United States. With a large fleet of over 70 trucks and trailers, your freight is guaranteed to be covered, whether it is a full load or an LTL.

DESIGNATED **TRUCKING LINES**

To our exclusive customers, we offer designated trucks and drivers and we guarantee to reduce late pick ups and deliveries by 25% and increase overall savings of 20%. At the end of the day delivering your products is representing you to your customer. We take pride in knowing that.

HOW WE **DO IT?**

It is really quite simple. Today there are many more available drivers than freight. And since we offer our drivers constant load we can choose and pick the best driver for you with the best safety record. Giving a driver a constant load allows us to cut rates, reduce late pick ups and deliveries, and eliminate yard claims.
